

I cannot believe that Sinclair Broadcasting has decided to make their stations to air Stolen Honor, the documentary that is anti-Kerry. During this days before the election is a explicit example of the dangers that can occur when media is consolidated.

Since Sinclair uses the public airwaves, it is obligated by law to serve the public interest. The documentary is NOT news, but a movie that is biased against a presidential candidate. This is not only illegal, but immoral and unethical.

The actions taken by Sinclair, which makes no secret its political preferences, is why we need to strengthen media ownership rules. This is a travesty of our democracy.

Thank you.
